*Antworten auf
Ihre Ernährungsfragen*

Lieber Gast!

Haben Sie eine Lebensmittelallergie?

Dann hilft Ihnen unsere Allergenfibel, sich einen Überblick über alle Produkte zu verschaffen, die Sie dennoch bei uns genießen können.

Vermeintlich harmlose Stoffe aus der Umwelt oder in Lebensmitteln lösen beim Immunsystem Fehlalarm aus. Der Körper reagiert allergisch gegen die Fremdstoffe.

Einzige wirksame Therapie: das Meiden der entsprechenden Substanzen. Dies ist nicht immer einfach.

Mit einer Lebensmittelallergie im Restaurant essen gehen und unbesorgt genießen können, ist für Allergiker nicht selbstverständlich.

In den MAREDO Restaurants aber kein Problem!

Sie können sich umfassend auf unserer Internetseite über unsere Angebote informieren. Unsere geschulten Mitarbeiter beantworten Ihnen vor Ort Ihre Fragen.

Sie können aber auch gerne mit uns direkt in Kontakt treten per E-Mail: info@maredo.com.

Ihr Dr. Joachim Gripp
Geschäftsführer der MAREDO Gruppe
